

## BILL ONEAL CUT A WOMAN'S THROAT

Brutal Murder of Negro Woman  
by Man at Micanopy Saturday.

CALLED WOMAN FROM HOUSE

Of Friends Where She Was Visiting,  
and Without Warning Almost Severed  
Head With a Razor—Oneal Made Es-  
cape, and Has Not Been Captured.

"Bill" Oneal, a negro who has for sometime been employed on the naval stores farm of Colson & Gay at Micanopy, committed murder in cold blood Saturday night, taking the life of a woman whom he called his wife, and with whom he had been living, but to whom he was not married. Crazy with jealousy, and probably imbued too freely of that beverage which will make a hog out of a human being if his nature is moulded that way, he went to another house in the quarters where the woman was visiting friends, called her to the gate, and, without a word of warning, cut her throat from ear to ear with a razor, from which it is said the woman died instantly.

Several negroes witnessed this heart-rending and brutal scene, which occurred under a bright moonlight, but it was so sudden and unexpected that it was done before anyone could make an attempt to assist the unfortunate victim.

After he cut the woman's throat, Oneal drew a pistol from his pocket and threatened to kill the first person who approached him. He backed off for a few yards, pistol in hand, when he suddenly turned and made his escape. Notwithstanding that the officers were promptly notified and began a search, the negro had not been captured up to Monday night.

### SHOOTING AT CLARK.

Superintendent Priest Was Compelled  
to Shoot a Colored Man.

Information has reached this city of a shooting affray at Clark, in one of the mines of the Dutton Phosphate Company, which occurred Sunday. No particulars can be learned of this matter, other than the fact that a negro, the name of whom could not be learned, attempted to assault Superintendent Priest, a mine superintendent, when it was necessary to shoot him to prevent him from doing bodily harm.

Dr. G. W. Tanner of High Springs was called to attend the negro. He found his condition quite serious, but after working with him for some time left him greatly improved.

Pain From a Burn Promptly Relieved  
by Chamberlain's Pain Balm.

A little child of Michael Strauss of Vernon, Conn., was recently in great pain from a burn on the hand, and as cold applications only increased the inflammation, Mr. Strauss came to Mr. James N. Nichols, a local merchant, for something to stop the pain. Mr. Nichols says: "I advised him to use Chamberlain's Pain Balm, and the first application drew out the inflammation and gave immediate relief. I have used this liniment myself and recommend it very often for cuts, burns, strains and lame back, and have never known it to disappoint." For sale by all druggists.

### A Special Meeting.

Alachua Camp No. 5, Woodmen of the World, will hold a special meeting at the office of Dr. J. M. Dell at 8 o'clock this evening for the purpose of transacting some important matters relative to the big log-rolling to be held here on the 13th inst. A full attendance is desired.

J. B. BROOKS, C. C.

L. A. JERNIGAN, CLERK.

Dr. Finn's Testimony Interesting.

Dr. Thomas Finn of Booneboro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. J. W. McCollum & Co.

Longworths Leave Sagamore Hill.  
Oyster Bay, Sept. 10.—Mr. and Mrs. Nicholas Longworth left Sagamore Hill Friday for Cincinnati. Speaking of the political situation in Ohio, Mr. Longworth said he had not been a candidate for delegate to the state convention. He said that he expected no opposition in the congressional nomination.

## What is a Backache?

IT IS NATURE'S WARNING TO WOMEN

Diseases of Woman's Organism Cured and  
Consequent Pain Stopped by Lydia E.  
Pinkham's Vegetable Compound.

"It seems as though my back would break." Women utter these words over and over again, but continue to drag along and suffer with aches in the small of the back, pain low down in the side, "bearing-down" pains, nervousness and no ambition for any task.

Miss Maude Morris

They do not realize that the back is the mainspring of woman's organism, and quickly indicates by aching a diseased condition of the female organs or kidneys, and that the aches and pains will continue until the cause is removed.

Lydia E. Pinkham's Vegetable Compound has been for many years the one and only effective remedy in such cases. It speedily cures female and kidney disorders and restores the female organs to a healthy condition.

"I have suffered with female troubles for over two years, suffering intense pain each month, my back ached until it seemed as though it would break, and I felt so weak all over that I did not find strength to attend to my work but had to stay in bed a large part of the first two or three days every month. I would have sleepless nights, bad dreams and severe headaches. All this undermined my health.

"We consulted an old family physician, who advised that I try Lydia E. Pinkham's Vegetable Compound. I began taking it regularly and soon found that I could sleep and eat better than I had done for months. Within two months I became regular and I no longer suffer from backache or pain."—Miss Maude Morris, Sec. Ladies' Aid and Mission Society, 85 E. Hunter St., Atlanta, Ga.

### Reform Mover Was Indicted.

Memphis, Sept. 10.—Police Commissioner Bruce, of this city, was indicted by the Shelby county grand jury for nonfeasance in office for permitting his sales stable to be used as a passageway of a saloon whose proprietor had been indicted for keeping his saloon open on Sunday. The closing of saloons on Sunday is a state law and its enforcement is being rigidly carried out in this city. Mr. Bruce was recently elected to the office he holds on a reform movement ticket.

### WAS A VERY SICK BOY

But Cured by Chamberlain's Colic,  
Cholera and Diarrhoea Remedy.

"When my boy was two years old he had a very severe attack of bowel complaint, but by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy we brought him out all right," says Maggie Hickox of Midland, Mich. This remedy can be depended upon in the most severe cases. Even cholera infantum is cured by it. Follow the plain printed directions and a cure is certain. For sale by all druggists.

### Two Killed in Collision.

Wheeling, W. Va., Sept. 10.—Two persons were killed and ten injured in a head-on collision of two passenger trains Saturday morning at Woodland, Marshall county, 24 miles south of here, on the Ohio division of the Baltimore and Ohio railroad.

### She Found Relief.

If you are troubled with liver complaint and have not received help read this. Mrs. Mary E. Hammond, Moody, Texas: "I was in poor health—with liver trouble—for over a year. Doctors did me no good and I tried Herbine, and three bottles cured me. I can't say too much for Herbine, as it is a wonderful liver medicine. If all ways have it in the house. Publish where you wish." Sold by W. M. Johnson.

### Will Be Sent South.

Washington, Sept. 10.—When the North Atlantic fleet completes its target practice and maneuvers it will rendezvous at Hampton Roads for repairs.

## AN EXCITING RUNAWAY.

Horse Belonging to E. H. Smith Makes  
Things Lively.

A runaway which created a great deal of excitement occurred on East Union street Monday morning, when a horse belonging to E. H. Smith, superintendent of the naval stores interests of the Cummer Lumber Company at Tioga, took a start from the front of the postoffice.

The animal darted into Union street, and ran into the buggy of W. S. Campbell, almost overturning the vehicle. A few feet further the buggy of Mr. Smith was completely overturned, the shafts being detached, when the animal made a bold dash down Union street.

Strange to say, there was no serious damage to either team. The buggy of Mr. Campbell sustained a broken spoke in the left rear wheel, while the vehicle of Mr. Smith was not damaged at all. The horse was injured in the left hind leg, however, and it was necessary to take the animal to a veterinary, when the wounds were properly attended to. The horse is a very valuable animal, being of highly pedigreed stock.

It was a miracle that the runaway, with so much turning and twirling, did not result more disastrously to the vehicles. At any rate, it goes to show that they were made of the right material. Mr. Campbell's buggy was turned almost topsy-turvy, while the vehicle of Mr. Smith, the top of which was up, was turned completely over and set on its feet again. The shafts were detached as the buggy turned, which released the horse, and not even a bend occurred from the accident.

### Order of Hoos Hoo Convenes.

Oklahoma City, Okla., Sept. 10.—The Order of Hoos Hoo met here Saturday in annual convention and will remain in session until next Wednesday night. Over 2,000 members are expected before the convention gets down to actual business. Large delegations from Louisiana, Arkansas and other southern regions are here and others are on the way.

Chamberlain's Cough Remedy Acts on  
Nature's Plan.

The most successful medicines are those that aid nature. Chamberlain's Cough Remedy acts on this plan. Take it when you have a cold and it will allay the cough, relieve the lungs, aid expectoration, open the secretions and aid nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. It counteracts any tendency of a cold to result in pneumonia. Price 25 cents. Large size, 50 cents. For sale by all druggists.

### Report on Cotton Crop.

Washington, Sept. 10.—The department of agriculture has announced that on Monday next at 1 o'clock there would be issued a report of the condition of cotton in the United States. This report will be the first of those issued simultaneously with the ginners' report of the census bureau as required by a provision in the last agricultural appropriation act.

### Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years, and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 81 years old." J. W. McCollum & Co.

### Coca Cola Served with Gin.

Huntsville, Ala., Sept. 10.—Thirteen drinks of coca cola spiked with gin resulted in sudden death to T. E. Hensley, a young man of this city. Hensley went home drunk and after retiring with his brother, apparently fell asleep. In a short time his brother was awakened and thought that Hensley was having a nightmare. Hensley died in convulsions a few moments later. An investigation was had by the coroner and after hearing testimony that Hensley got full on gin and coca cola, the jury rendered a verdict that his death was brought about by immoderate use of the concoction.

## MALARIA AN INSIDIOUS FOE TO HEALTH

Malaria is an atmospheric poison which we unconsciously breathe into our lungs through the impure air arising from low, marshy places, stagnant ponds, damp cellars, sewer pipes, improperly ventilated houses, decaying vegetable matter, etc. Day after day these germs and poisons are taken into the lungs, and as the blood passes through them it becomes infected with the poison and in its circulation distributes the microbes of disease to all parts of the body. Malaria is a very insidious disease; it gives no warning of its coming until the circulation is filled with the poison and this foe to health has the system at its mercy. The blood becomes polluted, thin and weak and its slow, irregular circulation fails to properly nourish and strengthen the body. Then the entire system is attacked; and if the germs and poisons of Malaria are allowed to remain the strongest constitution will break down. No one can feel well when the system is in a malarial condition; the vitality is weak, the appetite poor, digestion deranged, the complexion grows sallow and the entire body feels the effects of the poison. Malaria must be removed from the system through the circulation and the only medicine that can accomplish this is S. S. S. It not only cleanses the blood of all unhealthy, morbid matter, but destroys the germs, cures Malaria and restores this vital fluid to a strong, healthy condition. S. S. S. is made of roots, herbs and barks combining purifying and tonic properties which keep the blood free of all poisons and the system in perfect condition. While destroying the germs of Malaria and building up the weak, polluted blood S. S. S. gives tone and vigor to the entire system. Book on the blood and any medical advice without charge.

## Advertise in THE SUN

## Nervous?

There are many causes of nervousness, but poor blood heads the list. The doctors call it anemia. The blood lacks red corpuscles. At your first opportunity, consult your doctor about taking Ayer's Sarsaparilla. Ask him if he has anything better for weakness, debility, nervousness. If he has, take it. If not, take Ayer's Sarsaparilla. Get well, that's what you are after.
